## FINANCIAL OBLIGATIONS

By checking each box and signing at the bottom, I affirm my understanding and acceptance of the following financial obligations, terms, and conditions for my child to participate in the program:

- ☐ A non-refundable administrative program fee of \$2,000 is required upon placement at a British school.
- ☐ The UK student visa is an expensive and lengthy process. The student visa requirements and fees are constantly subject to change (and usually increase) by the UK Consulate. The visa fee (including an International Healthcare Surcharge fee) is approximately \$1,000 (as of June 2017). The ESU **strongly** encourages students to use an approved visa expeditor company, whose fees are approximately \$500.
- ☐ The SSE scholarship provides students with tuition, room, and board. However, the additional cost of transatlantic travel, incidental expenses, uniforms if required, and maintenance during vacations, is not included. The total of these potential costs is estimated to be \$8,000+ and must be paid by the student's family.
- ☐ All personal bills incurred during the year will be paid in full before the end of the academic year.
- ☐ Some British schools require a deposit at the beginning of the year of up to \$1,300 and others require a deposit, payable at the beginning of each term, to cover the cost of books, equipment, or personal expenses which the student may incur.
- ☐ Some British schools require guardians for international students. Any associated costs (potentially \$1,300+) are not covered by the scholarship and must be covered by the student and their family.

## TERMS AND CONDITIONS

- ☐ I understand that all applicants selected must have been admitted to an American college/university for the fall of the year in which they will return from the United Kingdom and are expected to return to the United States to attend the college/university to which they have been admitted. A letter of deferral from the college/university must be provided to the ESU as soon as possible after the student's acceptance of the SSE program.

I understand that students who receive a scholarship under the SSE program:

- ☐ Cannot choose the British schools they will attend.
  - ☐ Are expected to abide by the rules and regulations of the host school.
  - ☐ Undertake a full academic program, including two A-level or IB examinations, if required by the British school.
  - ☐ Remain for the full academic year which begins in September and ends in July.
- ☐ I agree that, if for any reason, my child is asked to leave their British school before the end of the school year, I will arrange for their immediate return to the United States.
  - ☐ I understand that my child's application to the SSE Program entails the commitment to accept a place at a British school from September through July. This application is made with my full knowledge, agreement, and support.
  - ☐ I certify that the information given by me is complete and accurate to the best of my knowledge.
