APPLICATION FORM FOR 2018-19 ACADEMIC YEAR

SCHOOL FORM

*To be completed by Head of School, College Counselor, or Academic Advisor
If referrer would prefer to write a letter of recommendation,
please take care to touch on the topics covered in the application.*

*Please submit the completed form directly to the ESU via scan, Dropbox, or Google Drive to
sse@esuus.org by January 29, 2018.
Inform the applicant once you have submitted this application component.*

Applicant's Name: _____

School: _____

Length of time at School: _____

Academic standing in senior class (number): _____ In class of: _____

If school does not rank, please estimate student's quintile: _____

- Areas of special academic interest or proficiency:
- Extracurricular activities (including athletics). Please comment on areas of particular interest or proficiency.
- Please comment on the applicant's emotional stability and maturity.
- Please provide your estimate of the candidate's ability and willingness to adjust to new, and perhaps difficult, living conditions.

- Do you have any reason to believe the applicant uses illegal drugs?
- Every year, some students leave the UK without paying bills. In your opinion, do you believe this student is likely to have any financial problems?
- If you have any reservations at all in recommending this candidate, please state them.
- How eager is the applicant to be an SSE student, involving as it does delaying college, studying another year in a controlled secondary school setting, and serving as a student ambassador of the United States and a full-scholarship guest of a school in the United Kingdom?
- Please provide any suggestions you may have as the most appropriate type of placement for the candidate (e.g., “small school with intimate environment,” “opportunity to continue advanced level of music study,” etc.)
- Other comments; please make your recommendation specific to the experiences of a year in a British school.
