CENTRAL
FLORIDA
BRANCH

THE ESU ANNOUNCES THE 2024

ESU Drey Scholarships

*Bring the World to
Your Students!*

The Central Florida ESU Branch is seeking teachers who wish to quench their thirst for life-long learning! Through the ESU Teacher Learning Abroad Scholarship (TLab) Program, we provide funds for qualified educators to travel and partake in immersive professional development experiences at the Globe's Teaching Shakespeare through Performance program, University of Oxford Summer School, and the University of Edinburgh's academic programs that coincide with the International Fringe Festival. This once in a lifetime experience starts with you! General information on the programs can be found on the [ESU National Website](#). After you fall in love with the program that fits your interest, please reach out to the Central Florida ESU to break down the walls of your classroom!

*Application Deadline
January 5, 2024*
