## College Admissions and Financial Aid

**Join us on Friday, June 12  
at 3:30 PM, 1<sup>st</sup> Floor**

for a workshop with Prof. Angel Calderon  
from Brooklyn Educational Opportunities Center

This workshop will provide an overview of the college application process and financial aid application process with an opportunity to address specific questions or concerns.

Whether you are applying to a 2-year associates program, a 4-year bachelors program, or graduate school, one needs to go through the college admissions process – selecting schools and providing them with certain documents and test results that help them to decide whether or not one qualifies.

To help pay education-related expenses, financial aid is available as most students are eligible for some type of aid.
